1055 South Grady Way
Renton, WA 98057-3232

THANK YOU!

City of Renton SCHOLARSHIP PROGRAM

We Want to Say Thank You!

"The activities provided are so great and diverse that my children were able to participate in Hip Hop Dance, Swimming Lessons, and even a Lego Engineering Camp! We have such a great community with a lot to offer and we can truly say that we are blessed to be a part of it and its generosity.

—A GRATEFUL MOM

"I want to express my thanks to you for awarding me this scholarship. Without your support I would not be able to take the Step and Sculpt class. My quality of life has definitely improved since I started and my blood pressure is finally at a normal healthy level."

—THANKFUL RECIPIENT

THE “GIFT OF PLAY”

How Can You Enrich Someone’s Life?

The “Gift of Play” Scholarship Program is designed to provide everyone living in Renton the opportunity to participate in recreational activities.

More and more families need financial assistance to participate in what many of us may take for granted but for some can mean changing the course of their life.

Your donation will provide program fees which allow families to access programs that enrich the quality of their lives.

Any donation amount is appreciated!

The Benefits of Giving

- » 100% of your donation goes directly to provide help with program fees to low income children, adults, seniors, and people with disabilities
- » Knowing you have made a difference in someone’s life
- » Provide increased support to the community
- » Tax-deductible donation

What is an Appropriate Donation?

Scholarships are based on availability of funds and awarded on a sliding scale that follows the Department of Housing and Urban Development income guidelines. **Any donation amount is appreciated!** The fee for a program varies from \$30 to \$175.

Benefits

- » Improves overall health including reducing obesity
- » Improves social skills of communication and teamwork
- » Promotes healthier lifestyle choices
- » Builds character and confidence
- » Increases self-esteem
